VANSH VERMA

MERN Stack Developer

Phone: 9368549887 | vanshverma6065@gmail.com
Portfolio: vansh-dev.onrender.com | GitHub: vansh-verma-dev | LinkedIn: vansh-verma

PROFESSIONAL SUMMARY

Motivated MERN Stack Developer skilled in building responsive, full-stack web applications using MongoDB, Express.js, React.js and Node.js. Experienced in REST API development, JWT authentication and database design, with hands-on project work in e-commerce and accounting software and a real-world internship building a healthcare website. Quick learner, looking for an entry-level Full Stack / MERN Developer role.

TECHNICAL SKILLS

Frontend:-	HTML5, CSS3, JavaScript, React.js, Bootstrap, Tailwind CSS
Backend:-	Node.js, Express.js, REST API, API Integration, JWT Authentication
Database:-	MongoDB, Mongoose
Tools & Design:-	Git, GitHub, Figma, Canva, MS Office

PROJECTS

TrueBook – Accounting Software — MERN Stack

- Full-stack accounting application for managing day-to-day business bookkeeping, inspired by Tally.
- Built secure login with JWT authentication and REST APIs backed by MongoDB for storing accounts and records.
- Designed a clean, responsive React interface for entering, viewing and managing accounting data.

ApexStore – E-Commerce Web Application — MERN Stack

- Full-stack online shopping platform with product listing, cart and user authentication.
- Developed REST APIs with Node.js and Express, using MongoDB and Mongoose for data storage.
- Responsive UI built with React.js and Tailwind CSS.

JS Master – JavaScript Notes App — React.js

- Web app for organising and reading JavaScript notes and concepts in one place for quick revision.
- Built with a clean, easy-to-navigate and responsive interface.

EXPERIENCE

Web Development Intern – Prajanya Healthcare — 3 Months

- Designed and developed the company's healthcare website from scratch as a responsive, user-friendly site.
- Worked with HTML, CSS, JavaScript and React to build pages and deliver the site to the team's requirements.

Sales Executive – Amritashya Ayurveda — 3 Months

- Handled customer interaction and product sales, building communication, negotiation and client-handling skills.
